

Environmental Policy:

Avon Freight Group are committed to improving our practices in order to minimise the impact of our operations on the environment as far as is reasonably practicable.

We will:

Ensure compliance with all environmental legislation, regulations and codes of practice relevant to the logistics industry.

Make efficient use of natural resources by conserving energy and water, minimising waste and recycling where possible.

Meet our duty of care requirements in relation to waste by ensuring the safe keeping, transportation and subsequent recovery or disposal of waste.

Regularly service our vehicles to maintain their efficiency.

Take account of environmental considerations such as developments in fuel and vehicle technology, when acquiring new company vehicles.
